Other _____	_____

For best results and to avoid extra fees:

- ✓ Backing fabric must be 3-4 inches wider and longer than your quilt top on all sides
- ✓ Quilt top and backing should be pressed, seams pressed open and laying flat
- ✓ Backing fabric should be square - no jagged edges, all seamed together
- ✓ Indicate top of your quilt by pinning a safety pin to it
- ✓ Do not baste or pin quilt top, batting, or backing together
